Flexible high performance outdoor Bluetooth speaker

Perfectly balanced and rich sound reproduction

With unique slider control for volume, bass and treble, 100 watts music power and 4 active drivers plus 2 passive radiators, the speaker delivers an impressive sound. The best stereo performance is reached in horizontal position and controls facing up.

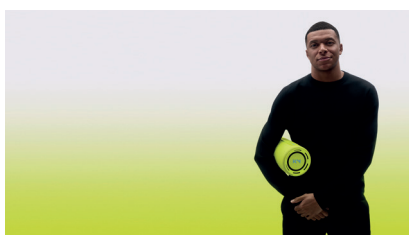

24 hours of playback time and super-fast charging

The rechargeable battery with high capacity allows an extra long playback time plus fast charging with USB-C PD adapters for more music and less pauses. In order to save resources, there is no power supply included.

True wireless multi pairing for an immersive sound experience

The innovative Loewe true wireless multi pairing (TWMP) connects simultaneously up to 14 speakers for the bigger party. The latest Bluetooth standard supports all important features, fast connection and best stability and sound quality.

Loewe and Kylian Mbappé partnership

Kylian Mbappé: "I am thrilled to partner with Loewe, a century-old German high-end technology brand, to launch an extraordinary new line of products. Stay tuned!"

Splash-proof, dust-proof, easy to use – made for outdoor

We. HEAR pro is robust and certified resistant to water and dust according to IPX6 standard. At the same time it is light weight and easy to carry with the colour matching shoulder strap.
